

Lia Donothon Part 8

Interactions and Discord call in by **ExoVerseVT** at the end of **Lia**'s Donothon, which cleared all goals and got her about **10.000 USD**.

Starting at **4:47:21** of the privated VOD, as Exo shows up in chat for the first time this stream, but was already a known entity by Lia and chat.

Funnily enough, he interrupts a **coombait ASMR**, which explains Lia eating candy/lollipop. This part stops as Exo gets on stream. Some messages maybe be wrong/missing because the VOD had blocked messages and Lia was eating.

(Chat) ExoVerseVT: "How goes the neverending stream?"

Lia: **screams and gets up** "OH MY GOD! NO! WOAHHH!!" **giggles and whimpers**... the last time y-you came into my stream I was so humiliated! You... you pick the worst fucking time to show up to my streams! I swear to God you could not have picked a worst time... **giggles**

(Chat) ExoVerseVT: "Lia I'm convinced I'm just your jumpscare LMAO"

Lia: "You seriously are! Wah! What timing was that I swear to God... **laughs** I can't have normal friends because you guys come to see my fucking streams!... Oh my God... **giggles**
Bro... it does not get more fucking embarassing..."

(Chat) Random: "No, you could still have freddy on stream"

Lia: "I don't want to have Fre,,, No, I am not mentioning it anymore. I am not gonna mention it anymore, okay?"

(5\$ Superchat) ExoVerseVT: "Here Lia, you can hide your shame with this. I love you despite your degeneracy don't worry"

Lia: "Thank you Exo! I mean, it's not like you are much better than me okay??? NOT LIKE YOU ARE MUCH BETTER THAN ME!"

(Chat) Random: "yeah everyone knows you are batshit crazy"

Lia: "No! No! Because the very first time Exo and I met in person he was like – Lia, you look so innocent, you are so cute like a small bee – and the whole time I was thinking like – He has never heard anything that comes out of my mouth, this is perfect. I can have a normal friendship. Like literally, I can have a normal friendship and this person will never think that I am weird –"

“And a couple of days later he shows up to my stream when I am talking about getting railed by Thresh and he messaged me after and he was – I see, so it was a facade, like you are really not like that, you are fucked up, you are seriously fucked up –”

“I WAS HOPING! I was hoping this entire time I would be able to gaslight him into thinking that no, it was a one time fluke, right? Just a one time fluke... but NO!”
giggles

(Chat) ExoVerseVT: “Lia is literally the cutest and most precious bean I have EVER met – and if anything ever happens to her I would destroy the world. But also, I fear –”

Lia: “No... shut the fuck up! No I am not, no I am not... I wasn’t admitting to gaslighting either ok??? You are just fucking hearing things!”

(Chat) Random: “Based Exo”

(Chat) ExoVerseVT: “Thanks chat, #BasedExo”

(Chat) Random: “Lia why would you want a normal friendship?”

Lia: “I just want other cool Vtubers to think that I am a normal and cool person too, instead of everybody being – That girl is from Phase Connect, you know she is fucking weird – like, maybe, I was hoping that I would have been able to be like... this people would be like – Oh, she is just like that on stream, it’s all just for the Keyfabe. She is just putting on an act on stream –”

(Chat) ExoVerseVT: “Oh I think you are cool – Normal though...”

Lia: “I was hoping I could gaslight people into that because the truth of the matter is: it’s not, right? The keyfabe is me pretending to be normal, it’s like the Kousaka Kirino effect, right? But I was hoping that I could gaslight at least someone, SOMEONE, into thinking that about me. And now I can’t, now I can’t”

(Chat) Random: “Why do you post your questionable Twitter posts?”

Lia: “Cuz it’s funny! I like to get a rise out of you guys, okay? I like getting a rise out of you guys... but! I can’t...”

(Chat) ExoVerseVT: “LIA HOLD ON”

(Chat) Random: “Lia sucks at keyfabe I have never seen her normal”

Lia: **giggles** “And now you bring up fucking Oreimo? You... listen, Kousaka Kirino, that’s literally how it is. I have tried so hard in real life to be like those cute perfect girls but then nobody knows what I am really like. The real side of myself was when I come on stream and admit to having a pet play fetish, that’s the real part of myself. The fake part of myself is - Oh you are so cute, she is so normal, so nice, oh my God! - ”

(Chat) BowWowChikaBowWow: “Have you read Thresh feet fit for Exo yet?”

(Chat) Random: “Have any of your social engineering plans ever worked out?”

Lia: “No, absolutely not”

(Chat) ExoVerseVT: “Damn Lia really just said – Kousaka Kirino is like me fr fr... PET PLAY FETISH - ”

Lia: “I am just eating my candy in peace... FUCK YOU! EXPOSED WHAT? What does that say about you membering to the girl who wears collars, uh? I like present Lia, I will never change” **hiccups**

(Chat) BowWowChikaBowWow: “@ExoVerseVT ask her later”

Lia: “I never said I wasn’t a headcase, I don’t wear the shock collars for fun! I have to! I HAVE TO! I have to end up wearing them, okay? Why am I taking classes for school?”

(Chat) ExoVerseVT: “not like eeking out secrets would expose you as degenerate”

Lia: “AAHHHHHHHHH! What if I just wanted to... ignore you and avoid you for the rest of my life, uh? Uh? No...”

(Chat) Random: “Exo explain what circumstances you met and thought she was normal??”

Lia: “We met at... he stopped by mins booth for a while so we were able to talk”

(Chat) ExoVerseVT: “Ignore me forever? Bet – I’m calling you RIGHT NOW”

(Chat) BowWowChikaBowWow: “Do it”

Lia: NOOO... he stopped by mins booth and we were able to talk and I was being so normal. To be fair I tried to be really normal around mins because the last time I said too much around mins, mins was like – Bro, Lia, what is actually wrong with you? - and I was so embarrassed I had to try be normal around people. Around Airi and stuff too, I tried... to be normal but yeah... am normal. Right?”

(Chat) Random: Lia is a that hello kitty girl

Lia: “BRO, don’t call me a Sanrio girl, I’d rather kill myself than be a Sanrio girl. I am normal, the pet play fetish aside, the degrading aside, that’s just normal girl stuff, right? Every girl has those kind of things right?
But Sanrio girls are batshit crazy, take it from me, I have 4 mental illnesses”

(Chat) BowWowChikaBowWow: “Do it Exo, you want”

(Chat) Random: “I remember what you cried out when you tried to read you ____ fanfiction”

(Chat) ExoVerseVT: “D O G”

Lia: “What? What did I say when I was reading that aloud???”

(Chat) ExoVerseVT: “Also I am still in disbelief that you weren’t cosplaying at ALA”

Lia: “-still in disbelief you weren’t cosplaying at ALA- I was thinking about cosplaying but I wanted to do a normie con, right? I haven’t cosplayed to a con yet this year... ALA and Impulse I haven’t cosplayed to, I really wanted to one of them but then – Do I cosplay... -“

“I am paranoid that if I cosplay it will make me stand out more than if I just wear regular clothes, right? So I was like – Maybe I don’t want to stand out or have any attention so I am just gonna wear regular clothes -“

(Chat) ExoVerseVT: “You are a bean c’:

Lia: **giggles** “I dress like that every fucking day it’s not... it’s normie clothes for me, alright?”

(Chat) ExoVerseVT: “Also RIP. Lia did not answer my call smh”

(Chat) BowWowChikaBowWow: “Lia answer the call”

Lia: **pauses and looks down** “I DID NOT HEAR THE PHONE RIGHT!!

****Exo then immediately gets on stream****

ExoVerseVT: “HI!!!” **laughs**

Lia: **pauses** “I DID NOT HEAR THE PHONE RIGHT!! I WASN’T IGNORING YOU... I didn’t hear it go off...”
