

This is just a disclaimer- I should have seen the signs of being manipulated, preyed upon, and lied to, I ignored the signs because I was younger and just wanted be successful and grow as a Vtuber

I was 17 when i saw a pretty big Vtuber join WingedMyth, a brand spanking new Vtuber agency for mythical creatures, demihumans, and all others, this was right after i graduated my previous identity as a bigger Vtuber due to drama and stress, i saw they still had 5 open slots so i decided to DM the owner, Rae to see if the slots had been taken, they weren't and i was welcomed aboard with open arms.

Some of the things Rae did-

- Lie about very big names joining WingedMyth like MamaVale, Konketsu, Nina Kosaka, Mysta Rias, Senz, Ike Eveland, Selen Tatsuki
- Try to get me to move in with him so I could join his band and take care of his daughter (I don't know how this man got any woman with him long enough to get a child)
- Claimed his Uncle was the CEO of Nijisanji (Riku Tazumi)
- Claimed he was childhood friends with Henya of Vshojo and even claimed he had a sexual relationship with her
- Promised us good quality models by good artists and riggers but since he stole his entire design I can guess he is broke off of his ass
- Hired me when I was 17 and encouraged my dreams of LewdTubing
- Worked me until burnout and being borderline suicidal because he promised me a very high quality artist and rigger specifically

Then tell them I'd prefer it because if it keeps like this, it's gonna keep being really hard for me
Especially when I am in charge of design

RaeTheFennecghost 08/06/2023 5:07 PM

nina said shes gonna think
mysta read the message

KishouDae 08/06/2023 5:07 PM

Ok thanks

RaeTheFennecghost 08/06/2023 5:07 PM

but mystas is gonna be easy on you

KishouDae 08/06/2023 5:07 PM

I just want everyone to be happy with their designs and I think having direct communication is the b

RaeTheFennecghost 08/06/2023 5:07 PM

he doesnt want anything specific he just wants you to "go crazy with your creative mind"
as long as its not a fox

KishouDae 08/06/2023 5:08 PM

But I still would like send them WIPs
So they can put in what they want

RaeTheFennecghost 08/23/2023 7:21 PM

I'm going to tell you right now, I am not lying to you in any way shape or form.

KishouDae 08/23/2023 7:21 PM

then give me screenshots proving it to them or of anything you've said

that's why I asked for the samples of you and Millie

I am starting to not believe anything you say

If this is a lie, why did you get my hopes up so high?

RaeTheFennecghost 08/23/2023 7:25 PM

You have every right, but as of right now the only thing I can tell you is I don't know them as Rae, I know them as someone else. I don't give you guys proof of these things because to do that it would doxx my other account that I don't want you nor anybody else even knowing of because it has too many connections to my IRL like including my birth name and business address.

KishouDae 08/23/2023 7:25 PM

just give it to me then

RaeTheFennecghost 08/23/2023 7:29 PM

Give me a few minutes. I'm not excited at the thought of doxxing myself...

KishouDae 08/23/2023 7:29 PM

No one else will ever see it

RaeTheFennecghost 08/23/2023 7:32 PM

Just let me breathe for a second.. I want to be able to make you more at ease and feel better. It's a lot of mental pressure on me...

KishouDae 08/23/2023 7:47 PM

This is the last time I will ask this, are you lying to me?

RaeTheFennecghost 08/23/2023 7:47 PM

No.

For the last time I'm not

KishouDae 08/23/2023 7:47 PM

I want to believe you, I really do, it's just hard

RaeTheFennecghost 08/23/2023 7:48 PM

And you don't have to and you're never going to have to

KishouDae 08/23/2023 7:49 PM

I want to trust you though, I see you as a friend
