

vera 06/03/2022
Thank you for the help in Spyro tonight by the way, and for the fun chatting afterward! 🍷

PrussianBot 06/03/2022
Oh you are so very welcome! It was very fun! I always love chatting with ya and watching stream. (edited)
You are a bright spot in a dark world!-
Also you should go with whatever artist you think for the skeb. You know better than I

vera 06/03/2022
a bright spot... that's so very sweet and so kind! Thank you!!
❤️ 1

I'll let you know once I've found a good artist, then!! It'll be super cute, I'm excited!

PrussianBot 06/03/2022
Sounds good I am looking forward to seeing it! Will be really happy to see the concept fleshed out.
❤️ 1

Goodnight Sweet Vera. Sleep well. Don't buy anymore dresses unless you get some sleep first haha

vera 06/03/2022
Pfff, I will refrain from buying any more!! I'd been thinking about this one for a couple days, and my friend Krys talked me into it 🍷
Sleep well and sweet dreams, Bot! Have a good night when you go to bed, as well! ❤️
❤️ 1

PrussianBot Good. I wouldn't want to miss out on a single thing. Sorry that such a greedy man fell so hard for you...

vera 06/05/2022
If you're greedy, then so am I — I hardly want to leave you alone for even a moment. I want you all to myself, so I can keep teasing you more. 🍷
😏 1

@PrussianBot Also this is somewhat random, but my name is [redacted] You can refer to me as Bot or however you like, it's just the southern boy in me feels like it's super bad manners to be this upfront ...

vera 06/04/2022
In that case, an introduction is in order! My name is [redacted] It's nice to re-meet you, [redacted] 🍷 I think it's nice to be able to exchange names - it's a show of trust, in a way. So, thank you for entrusting me with it! I'll start calling you by your name then, if that's alright - and you can feel free to do the same for me, if you'd like!

@vera This is something I worry about *slightly* if I were to ever take an extended break. I think ivees are less parasocial and more genuine friend / community, but it still worries me to some degree. But ...

PrussianBot 08/23/2022
I think that is a valid concern. **Thought to be honest you did kind of drop off the map somewhat after things went down with CL, I guess because you were with Zero.** And everyone was ok. Some folks sort of moved on to different communities to fill that void but most of them came back

@PrussianBot I think that is a valid concern. Thought to be honest you did kind of drop off the map somewhat after things went down with CL, I guess because

vera 08/23/2022
mm, true - it was while I was with Zero, but speaking frankly, it was largely because I got too terrified by everything to stream for a while.

vera 08/15/2022
So I walked with Duke to his gate first since he leaves in like half an hour to go to [redacted]
You have no idea how much I wanna stow away on the plane so I can go to you instead 🍷
❤️ 1

PrussianBot If you could have only seen my single braincell firing in that moment "A question she wants to ask, but she's hesitant, and she thinks I would ask it hmmmmmm OH-HI!"

vera 08/14/2022
You're so cute, hahaha. I didn't want to push the question or anything, but... I'm also really happy! ❤️

PrussianBot I love you

vera 08/14/2022
I love you too, [redacted]
❤️ 1

@vera You're so cute, hahaha. I didn't want to push the question or anything, but... I'm also really happy! ❤️

PrussianBot 08/14/2022
I'm happy as well. It worked out just the way it was meant to you know?
I guess for some reason I assumed you wouldn't want to put a label on it, and I convinced myself that was totally fine. Soooo when I was 99% sure I knew what you were prompting
I was just really really happy
And my heart was full

vera 08/14/2022
🍷
I really like labels actually

 vera 08/15/2022
though it does make me kind of daydreamy to be like 🥰 aaahhh getting to tell people we're dating... cute
❤️ 1

you're very discrete!!! you're apparently very good at just being like "oh really! :)" Huh! I'd love to know more" and being under the radar entirely hahaha

 @vera you're very discrete!!! you're apparently very good at just being like "oh really! :)" Huh! I'd love to know more" and being under the radar entirely hahaha

PrussianBot 08/15/2022
Yeah well it's important and comes naturally. I knew when I started pursuing you that secrecy/being discrete would be an important piece to it all. Just kind of the way of things in these circles.
Of course I would be happy for the few people you trust (in the greenhouse I mean) to know! (edited)

 vera 08/15/2022
hehe, I meant with discretely gathering info, like from [REDACTED] or whatnot! 🤖 but I also do appreciate your understanding with having to be secret about our relationship — at least for the time being, that is.

 vera 06/04/2022
First, I feel like it's an important thing to say right away, even though I'm nervous about it. Kind of especially with the conversation from flowerbuds the other day, too. And I will understand entirely if this changes how you think of me, but I want to be fully honest with you first and foremost.

I'm currently going through a divorce. It's been in the process of everything for a few months now, but it's slow. There's a lot to have to split and do and change, and it's been really tough. I can explain the whole situation and everything if you are curious, and I'll answer any questions that you have. But I didn't want to keep it quiet. You deserve to know.
It's kind of a bombshell and I'm very sorry if this ruins a really nice evening or how you feel, or what you think of me

 **PrussianBot** 06/04/2022
Thank you for telling me. It doesn't change anything for me. I am glad you trust me enough to tell me. Divorce is an awful experience. I can't imagine dealing with all that on top of everything else going on.
I'm sorry for making you push off telling me.
I get why that would feel important to mention, and I really appreciate that trust.

 vera 06/04/2022
🥰 it has been very rough. And no, please don't apologize!! I would have done the same, to have more excuses to message you, hehe. But I did want you to know. I feel like... this isn't the kind of thing you hide from someone that you're becoming very interested in. 🤖

 @PrussianBot From the outside looking in you guys just seem like more of a married couple who has fallen out of love (one sidedly I suppose) rather than a married couple on the way to divorce/separ...

 vera 08/18/2022
It's largely this. And there's a certain comfort to stability / routine that is hard to give up, you know? Not that I am comfortable staying in this position per se, but it's still what I know - and I'm gaining more independence within it, as well. Baby steps. Not enough to be entirely separate, but it's a start, I guess.

We'd scheduled the vacation months ago when things had started being iffy, thinking maybe it would help to have something to look forward to doing together - and to give us something that could be like, a celebration of hard work or whatnot. Me trying to debut in the fall, him getting a new job, etc. And I do feel guilty, because I wanna go on the vacation. 🤖 Selfishly, I just really like Disney World, and things have been really stressful, and it would be a nice break - it's just such a weird situation with it being what it is at the same time.

 vera 08/16/2022
I feel like I'm the luckiest woman-
❤️ 1

ALSO AAAAHHH I CAN'T BELIEVE WE'RE GONNA MEET SOO

vera 09/17/2022

tacosapien 09/17/2022
mutually assured tomatoes 🍆
goodnight Vera, thank you for tonight

vera 09/17/2022
thank you too — I had a lot of fun!!

Maybe next time, we can watch Hamilton!
Oh! And one other thing!
I feel like... I know your name by now, and I trust you enough, so — if you'd like, I'd be happy to tell you my name as well.

tacosapien 09/17/2022
May I ask for your name Vera?

vera 09/17/2022
yeah!

tacosapien 09/17/2022
Beautiful name

vera 09/18/2022
you haven't seen my actual model yet, right?

tacosapien 09/18/2022
You shared your reference sheet, but I have yet to see you move with the model

vera 09/18/2022

tacosapien 09/18/2022
hehehe can't wait to use the bonk one

vera 09/18/2022
I wanna keep it a secret so that you're surprised— unless you really want to see

tacosapien 09/18/2022
I do, I really do want to see you. I would be a liar if I said otherwise
October is so far away
I will respect your decision to keep it a secret though, the ball is in your court 🏀. Whether I see you early or not is 100% your decision

vera started a call that lasted 3 hours. 09/18/2022

vera 09/17/2022
hnhmhm
would you like to watch encanto with me?

tacosapien 09/17/2022
yes, I would like to watch Encanto with you
1

vera 09/17/2022
you answered that so officially!
hahah

tacosapien 09/17/2022
my go to answer would have been along the lines of "oh dude heck yeah" but I did not want to sound too silly

vera 09/17/2022
pffff
why not?
it's good to be silly, too!

tacosapien 09/17/2022
fudge yeah it is

vera 09/17/2022
YEAH!

that's the spirit!!!

vera 09/18/2022
First, I'm really flattered and thankful that you've sent me this maro... aaah, it's really so sweet, ! I am flustered and don't totally know how to respond when I get compliments or praise or things like this, so... thank you!

You'd asked in one of our maros back and forth about heartbreak. I think it was in a maro after I sang Burn? To be completely honest with you, I am still dealing with the aftermath (and in some respects, the in-progress-math? dunno what to call it) of heartbreak, which I'm not totally ready to talk about fully. I can explain the larger picture tldr of it to you if you'd like, but the details are still difficult and hard to get out fully.

I should be more respectful of you and not tease you / flirt with you so much when I'm not really in a spot where I can follow through on it. I'm sorry to let you down like this. I truly think you're very sweet, and I'm enjoying spending time with you and getting to know you a lot! But there's a reason I keep asserting publicly that I'm here to make *friends* and that the playful banter in the greenhouse is just that: playful banter. I'm really sorry.

tacosapien 09/18/2022
Allow me a moment to type up my response please

so what's the plan

vera 09/17/2022
first you go get a snack, and I get a water refill!
and then we can call and I'll stream the movie hahah

tacosapien 09/17/2022
I like this plan
I'll be right back

vera 09/17/2022
okay!

tacosapien 09/17/2022
im back

vera 09/17/2022
welcome back!!

tacosapien 09/17/2022
welcome back as well!
did you get your water?

vera 09/17/2022
thank you!
i did!

tacosapien 09/17/2022

vera started a call that lasted 2 hours. 09/17/2022

vera 09/18/2022
I'm trusting you with this - and I will understand if this changes how you feel about me, or what you think of me. I'm going to put it in spoiler tags.

I'm currently married, but going through the process of separation with my husband. It's been a very long process, with a lot of difficult, complicated feelings along the way. I'm not entirely certain when it will be fully wrapped up, so to speak. I'm trying to take things at the pace that is necessary for me to process and get closure naturally, rather than force anything along and risk additional stress, burnout, pain, etc.

There are a lot of reasons behind the whole situation, which I might talk about in time - but for now, this is the short of it. All in all, I think I am processing it just fine, and in a way that is healthy for me. And luckily, he and I are still on good terms - it's not a big fight or anything too terrible, but it's still complicated and difficult to explain all the details within.

tacosapien 09/18/2022
Thank you for trusting me with this. This is definitely unexpected and a lot to process. I want to choose my words very carefully. So I am typing slowly, re-reading what I have typed, and editing my words.

PrussianBot 10/11/2022

Well I'll start by saying I'm perfectly willing to get into VC if you want me to because I don't want to think I'm just relegating this to text because it's an afterthought or something (though I know you are working)

Actually give me just a second I'm getting on my pc

0:28 AM

To type better

vera 10/11/2022

I am working, yeah - so no vc for me 🙄

But I still appreciate the consideration!!

PrussianBot 10/11/2022

I have been thinking about things and kind of taking stock of everything. I think it's become clear that we are in fairly different places.

Like any couple we have different needs and expectations even different standards for what is acceptable but the friction there has not lessened with time.

Things are so different than when we first got together. Maybe it's childish of me to have not expected things to change but it doesn't hurt any less.

I've always tried to be analytical but I just struggle to not think entirely with my heart when it comes to this. But I think I have reached a balance for now.

I still love you [REDACTED], I really really do but don't you think we should end this? This is just making it harder for you to get closure, and my dissatisfaction with the state of things is dragging you down.

We've tried to communicate the best we can but it's felt like fighting against the tide. There are impediments that sadly neither of us can change for the foreseeable future.

Menace Today at 12:21 PM

@everyone Hey I want to let you know something and I am [REDACTED]

UtanoPandora Today at 11:14 PM

Received this after posting

 **Rand** Today at 10:19 PM
Hey dude. Saw your message. Pretty surprised to see it's happened to so many.

 **PrussianBot** Today at 10:30 PM
You too huh?

 **Rand** Today at 10:31 PM
Yeah. I don't think I was as involved as other people it sounds like. I liked flirting with her, but I never really got her anything but a few small gifts. She was planning to come out here tomorrow; that's why she cancelled her stream, lol. You helped me dodge a bullet, so thanks.

 **PrussianBot** Today at 10:42 PM
DAMN
Holy cow man
we all thought that was the case man
that you were the next target
it really makes you wonder how many
Everything in that doc was true I assure you

 **Rand** Today at 10:46 PM
I get the feeling. She immediately damage controlled me after the stream. Probably thought if she pointed out what you posted to me herself, she'd score some more points. I know a lot of it is true, because I've seen it, or she's told me. She claims "it's not all true", but obviously I have no reason to trust her. I'm especially concerned to hear she was leaking people's information. I don't care if anyone knows me; good luck getting to me on a military base, but if she's hurt Menace, that's unforgivable.
Even now she's messaging me and apologizing and claiming it really meant something to her, lol.
Boy, she does move quick though, doesn't she? I thought it was strange she was so readily flirting and spending time with me, but I chalked it up to me helping her mitigate that doxxing attempt a few weeks ago.
